#### Officially Licensed Coca-Cola

Features officially licensed Coca-Cola's classic red and white colours, the distinctive Coca-Cola logo, and vintage design.

#### Solid Door

Its solid door design enhances insulation, ensuring energy efficiency while maintaining optimal internal temperatures.

#### Mechanical Temperature Control

This fridge comes with a temperature control dial inside the fridge.

#### Metal Coated Wire Shelves

The chrome coating on these racks provides a combination of durability, aesthetics, and functionality.

#### Designed For Indoor Use

Designed to operate indoors rather than in outdoor or unprotected areas.

#### 3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
