

HUS-268VFIX.1

268L Hybrid Fridge & Freezer in Stainless Steel

Specifications

GTIN	9334902013662
Country of Origin	China
Designed to Suit	Inside
Temperature Control	Electronic
Function	Fridge/ Freezer
Food Safe	Yes
Colour	Stainless Steel
Gross Total Capacity (Litres)	268lt
Temperature Range (°C) Min	8
Temperature Range (°C) Max	-24
Ambient Temperature Level (°C)	16 to 38
Energy Consumption	291kWh/Year
Refrigerant	R600a
Shelves	7
Feet	2 (front adjustable)
Defrost	
Product Dimensions (mm)	1722x595x632
Cut Out Dimensions (mm)	
Required Ventilation (mm)	50mm at the back 20mm sides
Gross Weight	66.5kg
Warranty	3 Years

Hybrid Cooling

This allows our fridge/freezer to seamlessly switch between being a freezer or refrigerator as needed.

Food Safe

A food-safe fridge or freezer is designed to ensure that food is stored at the correct temperatures to prevent spoilage and contamination, while also adhering to safety standards for materials and operation.

Fast Freeze

This feature allows for rapid freezing of food items. This function is designed to quickly lower the temperature of food to preserve its quality and safety.

Transparent Drawers

Enhance storage efficiency by allowing users to view contents easily without opening the drawer. Made from durable clear plastic materials, these drawers offer benefits such as improved visibility, convenience, and easy maintenance.

No-Frost

Designed to eliminate the need for manual defrosting by using advanced cooling technology to prevent ice buildup. This feature is highly beneficial in maintaining optimal performance and convenience.

3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
