Warranty	3 Years

Hybrid Cooling

This allows our chest fridge/freezer to seamlessly switch between being a freezer or refrigerator as needed.

High Temperature Alarm

This feature is designed to alert users when the temperature inside the refrigerator or freezer rises above a preset threshold.

Digital Temperature Controller

Features a digital screen display allows you to easily view and adjust settings through buttons.

Food Safe

A food-safe fridge or freezer is designed to ensure that food is stored at the correct temperatures to prevent spoilage and contamination, while also adhering to safety standards for materials and operation.

Fast Freeze

This feature allows for rapid freezing of food items. This function is designed to quickly lower the temperature of food to preserve its quality and safety.

3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
