Active Carbon Filter with Triple Ventilation System

Helps to encourage air flow and improve quality of air, eliminating odours within the unit to help preserve the natural taste of the wine.

Digital Temperature Display

Easy to use control which helps to provide maximum and most simple control over temperature within the unit.

LED Internal Light

UV free dimmed blue LED lighting which allows sufficient visibility within the unit on demand whilst not damaging the quality of wine.

Wood shelves

Six beech wood shelves which are removable.

3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
